Direktnu liniju izvještavanja ka Nadzornom odboru imaju sljedeće funkcije:

- Interna revizija,
- Sekretar Banke i Ured Uprave,
- Usklađenost i SPN,
- Kontrola rizika.

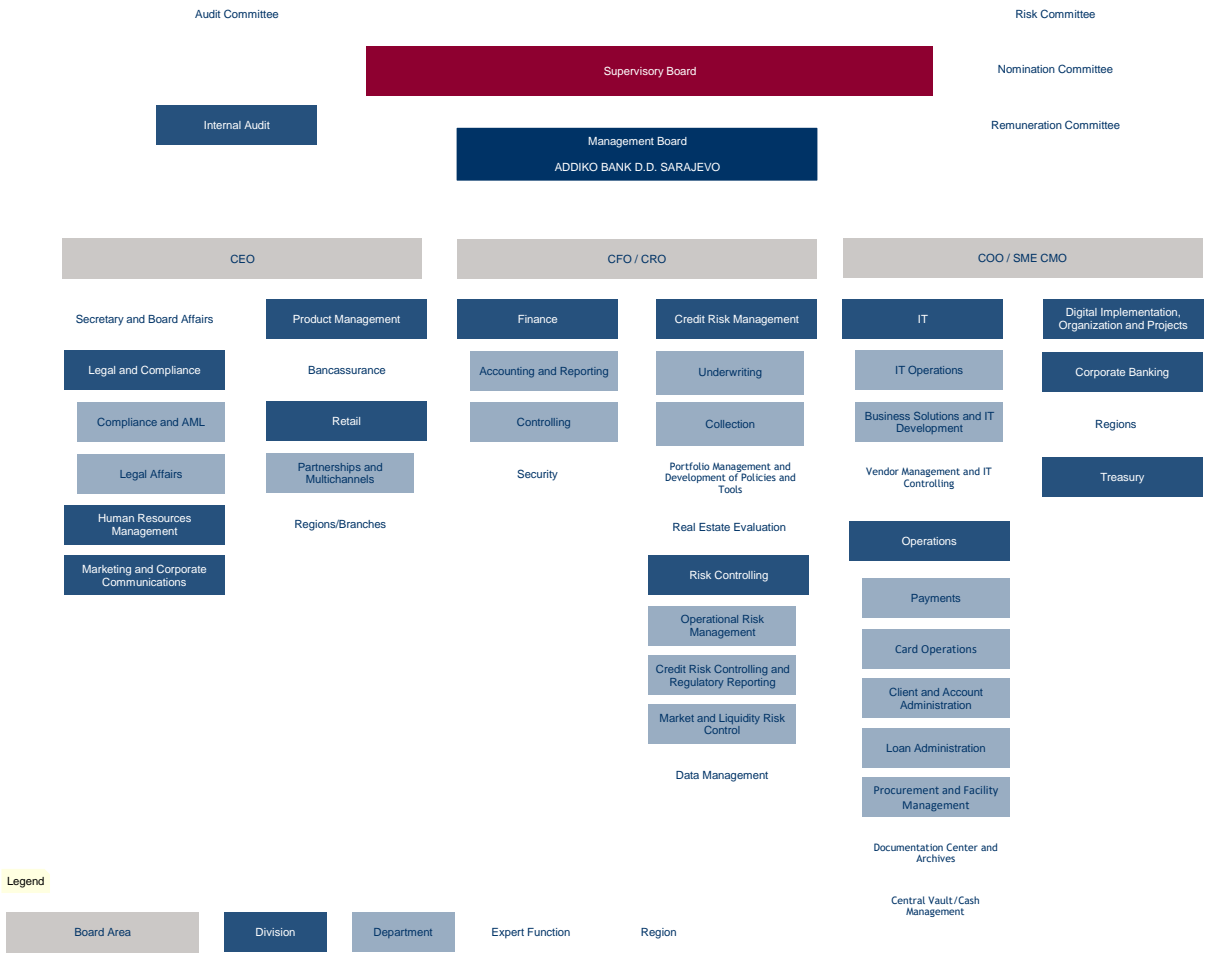

Direktnu liniju izvještavanja prema Odboru za reviziju imaju sljedeće funkcije:

- Interna revizija,
- Usklađenost i SPN,
- Kontrola rizika.

Napomena: Radi preglednosti organigrama, na B2 nivou Banke prikazani su samo odjeli i regije koji odgovaraju nadležnom direktoru sektora, dok su ekspert funkcije koje se nalaze na B2 nivou prikazane samo na pojedinačnim organigramima sektora u Pravidniku o organizaciji. Izuzetak je Služba za bankosiguranje, koja je prikazana na ovom organigramu, jer predstavlja zaseban organizacijski dio, shodno regulatornim zahtjevima

Addiko Bank

ADDIKO BANK D.D. SARAJEVO
 Trg Solidarnosti 12
 71 000 Sarajevo
 Bosnia and Herzegovina
 Valid from 01.02.2024

* Branch network is part of the Retail division, where branches are divided into regions.

The following functions have a direct reporting line towards the Supervisory Board:

- Internal Audit,
- Secretary to the Bank and Board Affairs,
- Compliance and AML,
- Risk Controlling.

The following functions have a direct reporting line towards the Audit Committee:

- Internal Audit,
- Compliance & AML,
- Risk Controlling.

Note: For the sake of a better overview of the organizational chart, only departments and regions that report to the competent division director are shown at the B2 level of the Bank, while expert functions located at the B2 level are only shown on individual division organizational charts in the Rulebook on Organization. The exception is the Bancassurance expert function, which is shown on this organizational chart, because it represents a separate organizational part, in accordance with regulatory requirements.
